

2nd
Somalia & Africa, Oil, Mining, Investments
Conference & Exhibition 2014

**Amsas Consulting (Africa)Ltd Presents at Ramada Chelsea Hotel,Dubai
The 2nd Somalia and Africa, Oil, Mining, Investments Conference on 13-14th Nov 2014**

Africa is considered to be next frontier for Oil and Gas Exploration.It is estimated that Africa's resources have not been fully fully explored neither has it recieved the required investments it deserves in Mining, Infrastructure,Oil and Gas sectors.Eastern Africa has seen close to 150TCF of gas discoveries in the last ten years.While more than 4 Billion Barrels were discovered in Sudan,South Sudan,Uganda and Kenya. Angola and Equatorial Guinea have been the best performers on oil and gas discoveries globally.While Eritrea has yet to show its prowess in the Red sea Blocks.

Recently a new deal worth \$2.45 Billions was signed in Brussels to rebuilding Somalia which was curved up for more than 24 years by warlords,Islamic fundametalists and corrupt politicians.Today,Somalia is considered to be the last frontier in the search for the recent successes in the oil and gas sectors of Eastern Africa.More than 200TCF and close to 4 Billion Barrels was discovered in Eastern Africa in the last decade alone.Amsas-Coriole-Afgoye Block was recently valued at more than \$3.75 Billion by Chapman Petroleum Engineers. Amsas will also present newfindings and data on the ACA block and the Coriole Basin.

The Conference will bring together key Private sectors players,in Africa, Somali Federal Government and Regional Governments, and Development Agencies. key Themes include:

- Government Oil , Mining and Energy Strategies
- New policies in the Resources sector
- Taxation
- Banking, Insurance and Financial services opportunities
- Security
- Political Developments
- Legal and Commercial Laws
- Fishing and Marine Resources

Last year the 1st,Somali Oil and Gas Investments, Mining, Security Exhibition and Conference(SOGIMSEC) attracted many sponsors, Exhibitors and delegates.We have included Africa this year due to demand from Many Ministries of Energy and Mining.Eritrea's Mining, Oil and Gas Ministry will showcase their potential.

On Investments and Financial sector the Hawala sector is considered to be very competitive and more than \$2Billion issent from abroad by the Somali Diaspora.The financial services sector, Banking and telecoms are also expected to see improvements in Investments.

Finally, Investors will be given a hands-on experience in the security sector of Africa and Somalia. The challengesand opportunities for Private security and associated services.Last year close to thirty security companies attended the 1st conference in Nairobi and more than forty Oil companies attended.
